## **Additional Information:**

### **Reason of EPS Negative.**

Basic Earnings Per Share (EPS) has become a negative figure for the period as the overall economic condition was dull for the Russia-Ukraine War, the cost of raw materials was high due to the high cost of dollar rate fluctuation, etc. Although COGS increased as compared to the same period of last year. Nevertheless company's increased turnover compared to same period of last year. As a result company's Earning per share increased as compared to the same period of last year.

### **Reason of Net Operating Cash Flow per share increased (NOCFPS).**

Net Operating Cash Flow per share increased as collection against sales has Increased and decreased suppliers payment and employees payment were slightly decreased compared to the same period of last year. Which resulted in increased Net Operating Cash Flow per share of the company.

Thanking you,  
For Aziz Pipes Limited
